

Responsive Reading

Leader: Holy One, we pray for those who live with mental illness.

Response: Give us the wisdom to know what we can do to comfort them.

Leader: Today, we especially ask that You be with those with a mental illness. Help them to have faith that You are with them even in their most difficult times.

Response: Guide us as we show them love and compassion.

Leader: We ask You to provide understanding and direction to the leaders of our nation. Help them to recognize the needs of those who are suffering and respond with justice and compassion.

Response: God, help us all to do the same.

All: Bless, guide and heal us. Amen
