# Wristband Order Form

From Moses' heartfelt prayer to God on behalf of his stricken sister Miriam ("Please God, bring healing to her!" Numbers 12:13), to contemporary healing prayer services and circles of support, Jewish tradition has offered many ways to support "healing of spirit and healing of body".

You might wear this band as a prayerful reminder of someone you know who is seeking healing; to encourage yourself to "bring healing" as part of a larger group linked around a special cause; for some other personal reason; or as a visible show of support for healing in our world.

Part of the purchase price of this band goes directly to the Bay Area Jewish Healing Center, helping to bring Jewish spiritual care to those facing illness and loss. All wristband orders include a card with a "*Mi Shebeirach*" Prayer for Healing. We thank you for your support!
